

Systems Six & Seven - Master Your Message

And Master Your Legacy

1. What is your mission or purpose?

2. What are the results that people have when working with you? What is their experience?

3. What is unique about how you do business? What is your story?

4. How do you feel about asking for business?

5. What is happening in the World that really bugs you?

6. Is it related to you? How?

7. How can you contribute to changing this situation personally and/or professionally?

8. What have you contributed in the past? Who did it affect?

9. What is stopping you from serving? What is the cost?

“Small steps make a big difference ☺”
